

**REMARKS**

In response to the Final Office Action mailed January 8, 2007, Applicants respectfully request entry of this Amendment and reconsideration of the application.

To further the prosecution of this application, each of the rejections presented in the Office Action is responded to below and amendments have been made in the claims. No new matter has been added. The claims as presented are believed to be in condition for allowance.

Claim 30 is rejected under 35 U.S.C. 112, second paragraph. The Examiner indicated it would be allowable if rewritten to make clear that the computer program is being claimed including by reciting the computer readable medium in the computer implemented method steps in the body of claim 30.

Without acceding to the correctness of the rejection, claim 30 has been amended as suggested to recite the computer readable medium and method steps in the body of the claim. Accordingly, claim 30 now is allowable.

Claims 31-38 being dependent on claim 30 are allowable.

CONCLUSION

In view of the above amendment, applicant believes the pending application is in condition for allowance.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee occasioned by this response, including an extension fee, that is not covered by an enclosed check, please charge any deficiency to Deposit Account No. 23/2825.
